

# *Coastal Vacations Training Seminar*

## **Attendee Non-Recruit Agreement**

I \_\_\_\_\_ understand and agree to the following; That this seminar is an open training seminar for all members of Coastal Vacations and their guests and that there are other people here this weekend like myself who have made a considerable investment in attending this seminar and developing knowledge and skill in an effort to build their respective businesses.

I understand and agree; that I will respect other Directors in attendance, at this event, and their Directors and their guests the entire weekend and I WILL NOT disclose any other product, marketing system or opportunity to other attendees, nor will I ask others to disclose any other product, marketing system or opportunity to me. I will also make a point to encourage others and edify their current Director's or teams at all times. I will not make any attempt to have other Directors work with me or accept training sales that are not rightfully mine. I understand that this seminar is NOT a recruiting forum and that soliciting others at an event like this, or at **anytime** in the future after the event, (including phone calls weeks or months later) is unethical and intolerable!

I understand that I am responsible for my own actions and that if I am found soliciting any other product, marketing system or opportunity to anyone I meet here at this event, under ANY circumstance, or I am found soliciting other Director's to work with me, I will immediately be asked to leave the seminar **without refund and I will not be allowed to attend ANY future Coastal Vacations seminars.**

I also understand that my ability to obtain a Gold Seal Directorship from the Board of Directors will be permanently removed and I will not be able to hold any Leadership positions within Coastal at any time in the future. I understand that my name will be flagged at the shipping center with a formal complaint that will prevent these things from happening at any point in the future. I understand that these consequences are permanent.

Failure to sign this agreement will result in me being asked to leave the event **without refund.**
